

Concussion Prevention: A Multi-Disciplinary Approach

Wednesday, March 24

11:30am-12:30pm

RSVP @ myumi.ch/VPVWQ

SPORTS
CONCUSSION

Hosted by Steven Broglio, Director, University of Michigan Concussion Center

Please join the Michigan Exercise & Sport Science Initiative and the University of Michigan Concussion Center on Wednesday, March 24, 2021, at 11:30am for a panel discussion focusing on concussion prevention. You will learn concussion prevention methods from experts in athlete conditioning, equipment manufacturing, and sports policy at the state, national, and international levels.

Panelists include:

JT Eckner

Associate Director of Research,
U-M Concussion Center
Associate Professor, PM&R
Michigan Medicine

Grant Goulet

Vice President,
Product Innovation
Xenith Helmets

Kelly Sarmiento

Public Health Advisor,
Division of Injury Prevention's
Traumatic Brain Injury Team
Centers for Disease Control

Ross Tucker

Science and Research Consultant,
World Rugby

Mark Uyl

Director,
Michigan High School Athletic Association

Please note: We want to ensure full and equitable participation at Michigan Concussion Center events. If an accommodation would promote your full participation in this event, please contact Sandra Frolich at concussioncenter@umich.edu to indicate your accommodation requirements.
